17 September 1963

MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT: Plastic Parachute Proposal

25X1 1. The attached proposal is the result of an E & E Survival Board request to [] to seek [] opinion on the possibility of designing a low visibility, high altitude personnel parachute. 25X1
They are currently working on a plastic cargo chute for [] 25X1

2. Such a chute would have profound effects upon the OSA survival program, as well as other Agency and DOD operations.

25X1 3. [] is familiar with [] and is available to discuss this proposal with OSA personnel. 25X1

[] 25X1
for Chief, Intelligence Division
Office of Special Activities

25X1 cc: []
